PROFILE

Hello! I'm a frontend developer from the city of Tyumen. I have a very positive attitude and enjoy working on the development of web interfaces.

I also really enjoy gaining interesting and new knowledge in this field.

Overall, I am a driven and reliable professional who is committed to delivering high-quality work on time and on budget.

I am excited to bring my skills and experience to a new role and continue to grow as a Frontend Developer.

SKILLS

Basic: HTML, CSS, Javascript, Typescript

Frameworks and libraries: React, Vue.js

State managment: Redux, Vuex.

EDUCATION

Tyumen State Oil and Gas University

2007-2013

Automation of technological processes and production
